This panel presentation will focus on a review and discussion of key 2016 federal and state legislative, regulatory, and judicial actions impacting the service contract industry and all facets of a business's service contract/warranty operations. The panel will also discuss current 2017 legislative efforts/initiatives and updates on other areas of the law which indirectly touch upon the industry.

Participants will learn the following:

- Information concerning federal and state legislation and administrative regulations passed during 2016 which impact the service contract industry
- The substance of key court decisions and jury awards affecting the industry
- Practical lessons to be derived from these decisions and laws
- Updates on the status of 2017 legislative efforts
- Updates and recent developments in other areas of the law not directly related to but impacting service contracts and warranties
